

We'll Give You \$100 For Just Two Minutes of Work...

We desperately need "User Reviews" on the Internet. I'm sure you've seen these before. They are the reviews that customers will give about their experiences with local businesses.

For each review you leave us, we will give you ONE entry into a quarterly drawing we do for a \$100 Visa Gift Card. Just send an email when it's done with a link to the review to uselfstore@bellsouth.net.

If you would like to help us with our future growth, please go to the following websites and give us your feedback. While we love positive feedback, the nature of your reviews do not alter your chances of winning.

You might need to register to leave a review, but I think you will find the process rewarding and you might learn a few cool things about other local businesses. You can only leave one review per website for us. For each website you leave a review on, we will give you one entry into the drawing. If you leave a review on one website, you will receive one entry. If you leave review on two websites, you will receive two entries...and so on.

For your chance at \$100 please email us at uselfstore@bellsouth.net to let us know how many reviews you have left!
